

# FABLAB for KIDS

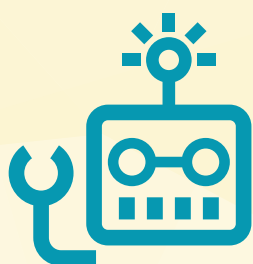

**percorsi didattici  
per giovani inventori**

## THE INVENTOR'S GROOVE

**age: 8-11**

10 afternoons, 2 hours each

- First Technology approach •
- Basic principles of coding •
- Drawing and ideas representation •
- Principles of animation • Digital creativity •

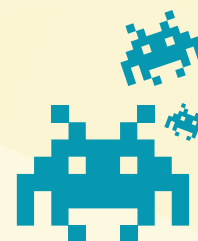

## LE FOLLIE DELL'INVENTORE

**8-11 anni**

10 pomeriggi da 2 ore

- Approccio alla tecnologia •
- Principi di animazione • Creatività digitale •
- Disegno e rappresentazione delle proprie idee •
- Principi base di programmazione •

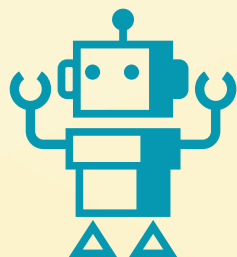

da  
ottobre  
2017

## THE INVENTOR'S APPRENTICE

**age: 11-14**

10 afternoons, 2 hours each

- Drawing and Design •
- Digital Fabrication • 3D Print and Laser Cutting •
- Electronics and Robotics •
- Programming, Logic and Mathematics •
- Computational Thinking and Problem Solving •

## L'APPRENDISTA INVENTORE

**11-14 anni**

10 pomeriggi da 2 ore

- Disegno e Progettazione •
- Fabbricazione digitale • Stampa 3D e Taglio laser •
- Elettronica e Robotica •
- Programmazione, Logica e Matematica •
- Pensiero computazionale e problem solving •
